family and cosmetic dentistry

COMMUNICATION AT COACH HILL DENTAL CONSENT FORM

Coach Hill Dental uses email, (along with phone calls, text messages , and Canada Post mail), to communicate with patients, other health care providers, and insurance companies.

Most often, email is used to communicate with patients' regarding their appointments. Occasionally other office business is sent via email.

Coach Hill Dental transfers x-rays, along with other information ,to health care providers using secure email.

If insurance companies require a copy of a patient's x-rays or pictures, these are sent to the insurance company via Canada Post.

In accordance with government legislation, we require your consent to continue to use your email as a form of communication.

I, _____ give my consent to Coach Hill Dental to use my email as a form of communication for myself/ my dependants.
